

Instructions for Completing the Scholarship Form

Queensland Institute of
Medical Research

You require Adobe Acrobat Reader Ver 5 or above to fill in and submit this form. Once you have opened this file from the QIMR website please fill in the information and press Submit. **Before sending the email please attach your cover letter and reference from your supervisor (in Word or PDF format) and approved one year review form (PhD students only).**

Attachments: The student needs to supply a cover letter which should give reasons as to why the student requires the [scholarship](#). The reference from the supervisor can be sent directly by the supervisor to nathanS@qimr.edu.au . Please note that applications without either a cover letter or reference will not be considered. PhD students also need to supply a copy of their approved one year review (confirmation review). This will have been sent to the student as a PDF file following approval.

Please Note: All applications will be assessed at a Higher Degrees Committee Meeting in early June and students will be notified by mid-June. **Attendance at the student seminar series will be used as one of the criteria for awarding scholarships to PhD students. Deadline for applications is 31st May each year.**
